

Smart Mobile Terminal

SUNMI V3 MIX New

reddot winner 2024

MIX, the all-in-one enterprise tablets.

MIX your POS terminal to capture businesses anywhere, anytime.

10" high-resolution display and a built-in high speed printer make a mobile and desktop terminal.

MIX, design not only for payment.

Ergonomically designed for a comfortable grip. Professional scanner integrated 1D/2D barcode scanning. Aluminum-magnesium alloy frame and incell touchscreen make it strong yet slim and light.

*All Pictures shown are for illustration purpose only, actual product may vary.

MIX for higher performance.

Qualcomm hexa-core processor and 4GB RAM+32GB ROM for an assured strong performance.

MIX for wider extensibility.

Specially designed rotatable functional cradle enable cash drawer, handheld scanner and network among other accessories that boost your business.

*Both rotatable cradle and non-rotatable cradle options are available.
